### IMD INTERNATIONAL SEARCH GROUP ADDS PARTNER IN BRAZIL

**Zurich, Switzerland (May, 31, 2016)** – IMD International Search Partners are pleased to announce that **Osser & Osser** have just joined the organization.

With 14 years of experience on the market, Osser & Osser is a highly recognized executive search firm in Brazil. Anna Luiza Osser and Patricia Osser Sales founded it in 2002, and the firm provides from their head office in São Paulo bespoke services to medium and large-sized national and multinational companies, start-ups, family companies and non-profit organizations.

Active in a broad range of sectors in the industrial, services, consumer/retail/agribusiness and finance fields, Osser & Osser's core business has always been executive search yet is able to meet client demands in other services developed over time. They now operate in leadership consulting (human capital assessment, coaching, succession planning, leadership development and onboarding; family governance; corporate governance; board advisory and strategic consulting) internally or through their carefully selected partner companies, and offer specific services to family businesses.

The high standards maintained by Osser & Osser were distinguished by the AESC who granted membership to the company in 2012. Today, their international development is taking another step with a partnership with IMD International Search.

Ximena Rodriguez, Partner at SommerGroup, IMD Chile, has often met Anna Luiza Osser at AESC meetings and comments on welcoming her in IMD: "Anna Luiza is the founding partner of Osser & Osser, with an excellent background in Management and Human Resources Consulting, she has developed a fantastic reputation in Executive Search in Brazil for her great professionalism, high quality standards and personal commitment to the client and the success of each search. I have witnessed all these qualities also at our meetings in AESC, where we have shared insightful thoughts regarding our business".

"From the beginning, there was among IMD members a unanimous support of Osser & Osser to join us, so we are all excited about this partnership with such a qualitative executive search firm", adds Dr. Matthias Mohr, IMD President and Managing Partner of Dr. Heimeier & Partner in Germany.
