IMD INTERNATIONAL SEARCH GROUP ANNOUNCES NEW PARTNER IN SINGAPORE

Zurich, Switzerland, October 2nd, 2024 – IMD International Search Group develops its presence in South East Asia with the addition of [Timeo - Performance](#), headquartered in Singapore.

Founded in 2008 by Isabelle Larche and Fabien Mailhe, Timeo Performance operates in Asia (Southeast Asia and Greater China) with their HQ based in Singapore.

Before opening the company, both founders had built solid experience as Consultants in the Human Performance – Change Management Practice of a major global consulting firm. Of European origins, they decided to create their own Consultancy, based in Asia – with a strong focus to bridge a build for Western Organizations who wish to establish and/or expand their business in Asia.

Timeo Performance has 2 main branches of activity:

- Executive search: Involved in actual research for C-level positions, especially when the client is a French HQ based organization.
- Training / Learning and Development / Digital learning / Coaching.

With their in-house team of experts in executive search and coaching / training, Isabelle Larché and Fabien Mailhe operate in a wide range of sectors including Consumer, Industrial, Financial Services, Transportation & Logistics, across all C-level and their direct report.

"Joining IMD is a fantastic opportunity for Timeo-Performance to work with like-minded experts and serve their clients across the Globe" says Isabelle Larché.
